CONSERVATIVE TICKET.

For 41st Congress.

JOHN MANNING, JR.,
OF CHATHAM COUNTY.

CONSERVATIVE CANDIDATE.

For House of Representatives.
DR. J. B. DUNN,
SPECIAL ELECTION 26TH NOVEMBER.

CONGRESSIONAL CANVASS.

John Manning, Jr., Esq., the Conservative candidate for Congress, Hon. Sion H. Rogers, Hon. A. S. Merrimon and other distinguished Speakers, will address the voters of the 4th Congressional District at the following times and places:

Smithfield	Nov. 19
Nashville, Nash county	" 21
Durham's, Orange county	" 23
Brassfields, Granville county	" 25

OUR CANDIDATE FOR CONGRESS.

The Convention which assembled at Franklinton on Friday last, made a most happy selection of a candidate for Congress in this Congressional District at the special election rendered necessary by the death of the lamented Judge Oulham. The result of a harmonious interchange of views was the nomination with great cordiality of John Manning Esq., of Chatham county.

Mr. Manning is a gentleman of fine talents and intellectual culture and large general information. He is well informed in reference to public affairs both State and national, an able debater and unyielding in energy. He has genial manners and makes warm friends wherever he goes. He is said to enjoy the respect and confidence of the people of Chatham who know him best to a universal and enviable degree.—In his political notions and principles he is eminently Conservative and in all respects well fitted to represent the District in Congress with usefulness and credit to his constituents and honor to himself.

It is his purpose to go at once into the canvass and to address the people at as many suitable places as he can, between this and the day of the election. Let the people everywhere turn out and hear him in the cause of truth and good government. We trust that all our friends will be active in behalf of our party and the county, and that as many gentleman in the habit of public speaking as can, will also address the people. Let each and all be fully awake to the importance of carrying the election. We need the moral weights of success and we need more than that—we need an able head and an eloquent tongue to aid Mr. Shober in pressing the rights of our people before the present Congress. Let every man do his duty and we will succeed by two thousand or twenty five hundred majority!

THE RADICAL CANDIDATE FOR CONGRESS.

The Radical Convention which met in this city last Thursday, nominated Mr. Joseph W. Holden, son of Governor Holden. We learn that the Convention was boisterous and disorderly as usual, and that Mr. Holden secured the nomination by a sort of intrigue which gave great and incurable dissatisfaction to many of the colored people outside of Wake county, and to several prominent white Radicals. About all this dissection we care nothing, but the nomination illustrates the fact, and an important one too, that the Radical party of this District endorse Governor Holden with all his crimes and outrages perpetrated upon the people of the State. The nominee was a member of the late plundering Legislature and speaker of the House—he was cognizant of its crimes and participated in them. He was check by jowl with the "carpet-baggers," and aided them in every way he could; and he, like his father, is to a great measure responsible for the calamities that now ruin the State and blast the hopes of the people. He endorsed the war made by his father upon the people of the State and especially the people of Alamance and Caswell just before the late election, and insisted that the people should pay the expenses, $300,000 or $300,000 of this lawless and rapacious war. He has done all he could to engender deadly strife and hostile feelings between the white and colored people, on one occasion in an excited harangue invoking *the god of turpentine* against the white people.

This is the man whom Governor Holden forces the Radical Convention to present to the Republicans of this District as their candidate for Congress.

Will the people of any race or color vote for him? Are the Republicans prepared to re-shoulder Governor Holden and his son? Are they ready to re-endorse the crimes and outrages of Holden's army of Tennessee desperadoes led by Kirk and Burgan? We think not, we trust not! But we will see.

THE APOLOGISTS OF CHIEF JUSTICE PEARSON.

We have neither time nor inclination to bandy words with one or two obsequious apologists of Chief Justice Pearson, who only pretend to *palliate* his crime—through the columns of the *Old North State*, and who seem to think that the people of the whole State are opposed to his impeachment, because they happen, for once cause or another, to think this ought not to be done.

It is not a little remarkable that these apologists are the only gentlemen who have given public expression to such views, and that the *Old North State* is the only Conservative paper which opposes such impeachment. This is, to some extent, explained, when it is remembered that the Chief Justice, generally, addresses his published communications to that paper.

We have an extensive correspondence with the leading men of all parts of the State. We travel out a little through the State and intermingle much with the people, and we are fully warranted in repeating the assertion, that the popular demand for the impeachment of Judge Pearson is greater than for that of Gov. Holden. The *Old North State* concedes that it may be some of the Judges ought to be impeached. Every man who has an intelligent appreciation of the magnitude of Judge Pearson's offences, must say at once, that the crimes of all the other Judges sink into contempt, when compared with his. *He wilfully denied scores of his imperiled fellow-citizens the efficiency of the great writ of habeas corpus!!* This the people of all classes know to be the fact, and demand his deposition from the high position which he has disgraced and forfeited.

One of these apologists asks why the counsel for the prisoners didn't come out and make public complaint? This is puerile and ridiculous! No one expects these gentlemen to do so foolish a thing, but the people of the State, from one end of it to the other, know what these gentlemen thought of the conduct of Judge Pearson, pending the great controversy, during which he perpetrated the offence. Everybody knows they condemned him in the most unqualified terms, and the counsel for Gov. Holden could not and did not pretend to apologize for, much less endorse his lawless conduct. Let the Legislature impeach the Chief Justice and the proof promised will be forthcoming from such witnesses as no one will doubt.

COST OF A CONVENTION.

Some one has said he opposes a Convention because it will cost so much! This objection is groundless. Let us see. A Convention would be composed of 120 delegates and it need not sit more than thirty days. The delegates ought to have say, four dollars per day. This would make the sum of $14,400 for the per diem of delegates. All the other expenses would not exceed $6,000 or $7,000, so that the whole cost of the Convention need not exceed the aggregate sum of $23,000.

Now the salaries of supernumerary officers alone for *one year*, will pay this sum. We think of a few of them now. We used to have three Supreme Court Judges and the Court was better in all respects than now. Now we have five—dispense with two and thereby we save $5,000 in one year. We used to have eight Superior Court Judges and these did a thousand fold better than twelve do now—but take off four of these and there are $10,000 more saved in one year. There is no necessity for a Superintendent of Public Works.—We never had such an officer before, and he does almost nothing now. Dispense with that office and thereby save $2,500 more. The Solicitor of the Wake District used to be the Attorney General. We could dispense with the present office of Attorney General and thereby save $1,500 more. Thus in dispensing with these unnecessary officers alone, we would save in *one year*, the sum of $19,000! There are other offices that may be dispensed with to great advantage that would swell the saving in one year to $25,000 or $30,000.—This money cannot be saved without a Convention, because the Constitution prescribes such officers. Then the cost of one is no objection.

The Judge of Probate of Stokes county, advertises 10,989 acres land for sale in that county for taxes. The Sheriff of Ashe advertises 2,188 acres.

VIRGINIA CONGRESSIONAL DELEGATION.—The following is the delegation elect to the next Congress from Virginia:

First District—John Critcher, Conservative.
Second District—James H. Platt, Republican.
Third District—Charles H. Porter, Republican.
Fourth District—W. H. H. Stowell, Republican.
Fifth District—R. T. W. Duke, Conservative.
Sixth District—John T. Harris, Conservative.
Seventh District—E. M. Braxton, Conservative.
Eighth District—William Terry, Conservative.
Three Radicals and five Conservatives.

THE NEXT HOUSE OF REPRESENTATIVES.—It is claimed here to-day that the result of the elections will insure a conservative organization of the next House by which the Speaker, clerk and chairmanship of the leading committee can be secured.—This, it is said, can be brought about by a coalition with the revenue reformers in the Republican party elected in the West.—*Wash. Cor. Balt. Sun.*

Over half a million feet of lumber and 11,434 barrels of rosin were shipped from Wilmington in a week ending on Thursday last.

Wilmington has lowered the price of gas to $4. We dare our gas company to follow this precedent.

One negro stabbed another at a corn shucking in Asheville last week, and another was put in jail for attempting to disrobe a brother fifteenth amendment of his mortal coil.

Dr. B. T. Person, democrat, will contest for the seat in the next House of Representatives for which E. G. Copeland holds a certificate. Copeland was announced as having received 15 majority in Wayne.

In the special election for State Senator from New Hanover county, Price, the colored Republican candidate received a majority of 658 in the city of Wilmington over Mr. Bellamy, the Democratic candidate. The district is composed of the counties of Brunswick and New Hanover. Price got drunk on Thursday night (election night) and with a party of negroes tried to force his way into that portion of the Wilmington Theatre occupied by white people. He was promptly checked and made to retire.

THE PULPIT RAMPANT.

Sunday, the 6th of November, one of the most beautiful and peaceful days ever remembered—a day to inspire worship, and to hold sacred communion with the God of Nature and of Grace—was desecrated, as usual on the Sunday preceding the annual election, by the rampant partisan politicians of the pulpit. The excuse given in one pulpit was that a political circular had been sent to the preacher, invoking his aid in the election, and ready enough to beat the party drum, he launched forth upon the "ignorant foreigners" who take an interest in the elections annually going on. The changes were rung by this preacher, the Rev. Dr. Bellows upon the "ignorant superstitious foreigners" among us. Not one allusion was made to the 750,000 ignorant and superstitious negroes who politically cohabit with the party for with the reverend doctor consents to electioneer once or twice a year, to the disgust of some of his congregation, and to the moral or religious profit of not one attendant. The most that can be produced as the result of one of these sermons is to make a man a little more secular, a little more worldly, a greater hater of his brother man, and every way more selfish and devilish. They excite the passions of the hearers, intensify their animosities, and result in the end, on all sides, in positive harm. We protest now and always against political preaching of any kind in the pulpit. We do not like it when ministers of the gospel are Democrats, and certainly we do not like it when they are something else. Among the most conspicuous of these Sunday pulpit slanderers was Rev. Dr. Curry, who singled out Gov. Hoffman by name for his special anathema and vituperation. We know not what character of man the Rev. Dr. Curry is, except from his discourse, which proves him to be both a bigot and a calumniator,—a bigot, because his discourse shows that he is without charity; a calumniator, because he bears "false witness against his neighbor." Those of us who know Governor Hoffman, know that he is in the best sense of the word a Christian gentleman; that he stands as pure and upright in his office of Governor of the State as the Rev. Dr. Curry can possibly stand in his own pulpit. Gov. Hoffman certainly is no man's man. He has made enemies by thousands for daring to do right in his vetoes, and even in the one bill approved, which it is declared he should have vetoed, he sustained a principle common in the best religious, educational, and business institutions of the country.

One word more. If the pulpit is to be respected and be made useful to the cause of religion and the country, it will steer clear of these political harangues. They are made at a suspicious time, for a suspicious end, on pure party grounds, and to bolster up a party which, in its character or its members, its principales or its opinions, are certainly no better than the party, men and principles denounced. Again, it is taking an undue advantage of a man to invite him to hear a sermon on religion and religious duty, and to treat him with a tirade on politics. Such a hearer usually knows ten times more about politics than his forced teacher—a teacher who seizes an opportunity to-day in the pulpit just what he pleases, but permits no opportunity of answering what is untruly or unfairly said.—*N. Y. Express*

GOV. VANCE AT BALTIMORE.

In the speech made at the Democratic rally before the election in Baltimore, Gov. Vance, as he always does, made some capital points. The following excellent extract we copy:

"The negroes are a kindly disposed, affectionate and faithful people.—During the war they committed no outrages, but were faithful to their owners and employers. The negroes have committed no wrongs down in the State that were not instigated by carpet-baggers. Their good conduct during the war deserves consideration at our hands. They deserve nothing but kindness at our hands, and he hoped that here in Maryland they would treat the negro with kindness. For a long time after the war, while the South was suffering from the reconstruction measures of Congress, the people were in despair. They began to believe that republican institutions were a failure. But the scene has brightened. The democracy have gained and continue to gain all over the Union. But the probability is that the republicans will have control of the next Congress. But he predicted that the radicals would change their course, and that the tide of centralization and tyranny upon the part of the general government would soon cease. Since the war four great principles of our government have been violated—the freedom of the press, the privilege of *habeas corpus*, the right of trial by jury and the supremacy of the civil over the military power. But the effect of these violations will render these great principles stronger than ever in the heart's of the people.

When a Conservative Congress shall have control of the government, they will hedge around these great principles with such safe guards that they can never again be assailed with impunity. You can do more to effectually preserve your liberties by going to the polls at your next election and electing Democrats than in any other way."

NEW YORK CITY.—The total vote polled in this City on Tuesday was 121,659, of which Hoffman, Dem., for Governor received 86,163 and Woodford, Rep., 44,896. Hoffman's majority 51,267. Hon. A. Oakey Hall was re-elected Mayor by 24,363 majority. He was opposed by Ledwith, who claimed to be a Democrat, but was supported by the Republicans.

A Card to Sensible People.

Rational reader, if the aspect of the weather was uncertain, you would not be foolish enough to venture out without an overcoat or an umbrella. Have the forec st, then, to protect yourself at this dangerous season with something more important than either of these articles. Strengthen your stomach and nervous system; regulate your liver and your bowels, tone all your organs and cheer your animal spirits with that agreeable cordial tonic and alterative, Hostetter's Stomach Bitters. So shall you surely escape the diseases which fasten upon the feeble and debilitated. "Suffer and be strong," says the proverb; but "Be strong that you may not suffer" is the wiser maxim—and of all strengthening preparations this is the safest, the surest, the most general as a remedy, as well as an antidote, for dyspepsia, fever and ague, and liver disease, there is no combination of vegetable specifics at present known which even approaches it in efficacy.

Anticipate the enemy. The elements of innumerable diseases are afloat in the raw, damp, mephitic winter air. Will you defend yourself against them or not, good reader? That is the question. A bottle or two of the great preventive medicine of the age, Hostetter's Bitters, will so strengthen and brace up your bodily powers as to enable them to "laugh a siege to scorn." The morbid matter which was exhaled in perspiration through your pores in summer finds no such free egress now. A powerful counteracting agent is therefore needed, and you have it in Hostetter's Bitters. They neutralize the miasmatic wood from which diseases originate, and regulate all the secretive organs. Nothing can be more harmless or more healthful, nothing so potent to prevent or cure bilious-ness, dyspepsia, fever and ague, constipation and general debility, as this wonderful corrective.

HOOK AND LADDER COMPANY, No. 1.—A special meeting of this Company will be held this (Monday) evening, Nov. 14th, at 7½ o'clock, at Firemen's Hall.

A political circular, notifying certain colored voters to appear before a Radical Magistrate, was read from the pulpit of one of the colored churches in Goldsboro' last Sunday.

THE FAIR AT WELDON.

On Tuesday morning of last week, we, the Local, left Raleigh to attend the first Fair of the Roanoke and Tar River Agricultural Society, at Weldon. We had a nice, jolly time going down in company with several valued friends and in the safe conduct of our young friend, but old and experienced conductor, Timberlake, with that ever careful, cautious and reliable engineer, Eddie White. Of course our trip was pleasant and our destination reached safely.

In regard to the first day of the Fair we can say nothing, as we did not visit the grounds until the second day, but from the appearance of things then, we judge the first day was spent, as is usual on such occasions, in making entries, placing articles in position, annoying secretaries and clerks with questions, and getting things ship shape generally.

On our arrival the second day, Wednesday, we found

THE GROUNDS,

which are located about a mile south of the village, immediately on the Wilmington and Weldon Railroad, very tastily laid off and conveniently arranged for the purpose intended. The Society and the public owe the Executive Committee a meed of thanks for the commendable manner in which their work has been performed, and we heard it whispered, and verily believe it to be true, that to the indefatigable exertions of Mr. Emery of Weldon, much of the success of getting everything about the grounds in proper order is due. But it was evident that all concerned performed their parts well.

THE EXHIBITION

of articles in every department was creditable. Fine corn, cotton, horticultural products, agricultural implements, machinery, household manufactures, stock, especially hogs, household furniture, carriages, &c., were all well represented, not by as extensive display as we have sometimes seen, but by really meritorious articles of their respective kinds. Norfolk, Petersburg, Richmond and Baltimore were well represented both in merchandise and manufactures, gallant men and beautiful women.

GOOD ORDER

prevailed and all confusion, except that incident to large crowds, was avoided by the placid, courteous and firm management of Col. Wm. A. Johnston of Littleton, chief marshal, assisted by the following gentlemen as aids: Jas. Battle of Edgecombe, R. B. Peebles of Northampton, John T. Alsop of Enfield, Dr. H. E. T. Manning of Weldon, R. B. Spiers of Halifax, Exum Lewis of Weldon, Capt. James H. Whitaker of Enfield, Chas. H. Skinner of Littleton, W. A. Pearson of Gaston, Jos. B. Phillips of Battleboro', L. M. Long of Weldon, Charles A. Cook of Warren, B. Oscar Harris of Warren, John R. Carstarphen of Northampton, and Jos. Powers of Battleboro'. Dr. Manning had the Press fraternity in special charge, and we must confess that had we partaken all the hospitality proffered and pressed, we should not likely be in much condition for writing an account of it.

THE ATTENDANCE

was quite large, and everybody, so far as our observation extended, was well pleased and enjoyed himself or herself hugely.—We met several old and valued acquaintances, many of whom, we thought, seemed to be almost as young, if not quite so "origaly" as they used to be. We had the pleasure of meeting ex Gov. Clark of Edgecombe, Gen. M. W. Ransom of Northampton, Col. Fremont of the W. & W. Railroad, and many others whose names and public services are not confined to the limits of the State, and all of whom seemed to take deep interest in the success of the Fair.

ON THURSDAY, THE THIRD DAY,

the attendance was largely increased in numbers and the general enthusiasm and good feeling seemed to have reached their acme. At 12 o'clock, the crowd, or at least, a large portion of them, gathered around the stand to listen to

PROF. KERR'S ADDRESS.

It is not necessary for us to attempt a lengthened description of the address; it was well conceived, well delivered and peculiarly appropriate to the time and circumstances. It is very difficult to hold the attention of a crowd to anything long at a time on occasions of the kind, and orators labor under many disadvantages in making themselves heard; besides, those who really wish to listen to such addresses are prevented by the passing and repassing of those who take less interest in them, hence, we have thought it would be better to make some different arrangement for the delivery of annual addresses at our Fairs, so as to give those who wish to listen to them a better chance to hear, and the speaker more ease and comfort in speaking.

THE TROTTING

both on Wednesday and Thursday was very good. The track was in excellent order, though, being sandy was a little heavy. The trial on Wednesday was between Harvey's Express and Haywood's Fannie, entered by Paxson, best three in five, mile heats, won by Express in three straight heats, time 3:05, 3:00, 3:04. After this there was a trotting match by untrained horses, four entries, best two in three, half mile heats, won by Macon's Morgan, time 1:40, 1:38, 1:37.

On Thursday the principal trial of speed was between Paxson's Twist, and Loafer, entered by Mr. Harvey, best three in five, mile heats, Twist won 1st, 2nd and 5th heats, time 2:55, 2:50, 2:53; Loafer, 3rd and 4th heats, time 2:47, 2:47. After this there was a mule race, four entries, which created a good deal of amusement, but we were compelled to leave before its conclusion.

THE D. Q. U'S.

made their appearance on the grounds, about noon of Thursday, and were the observed of all observers. Besides these there was any number of side shows, including natural curiosities, sleight of hand performers, &c. &c., many of which literally "astonished the natives" and pocketed much of their small change.

We must conclude our general notice; hereafter we may particularize on some of the features of the Fair.

—We took several notes—some of them greenbacks on account of the SENTINEL—had a good time altogether, and expect to go to the next Fair at Weldon.

PROCEEDINGS OF THE STATE BAPTIST CONVENTION.

MORNING SESSION—FOURTH DAY.

The Convention was called to order at half past 9 o'clock. President Brooks in the chair.

After the observances of the usual religious preliminaries, the Secretary read the minutes of yesterday's proceedings, which were approved.

Messrs. A. Dockery and Lemuel Whitfield were recognized and welcomed.

UNFINISHED BUSINESS.

The consideration of the report of the Committee on the more thorough organization of denominations, was resumed. (This Committee is one of the four which were appointed to consider the four different topics treated of in the report of the Board of Missions.) The chairman, Rev. Dr. Pritchard, submitted an elaborate report, accompanied by the following resolutions:

Resolved, That this Convention express its high sense of the importance and absolute necessity of a more general and hearty co-operation on the part of all the Baptist Churches of this State in our great enterprises of benevolence, in order that we may meet and discharge the solemn responsibilities which God Almighty has imposed upon us.

Resolved, That we recognize the State Convention of North Carolina as the organized representative of the Associations and Churches of the State, and that as such, it is the creation and servant of the Churches, and is thus a most efficient means for the promotion and diffusion of the blessings of the Gospel throughout our beloved commonwealth, and therefore, we will seek to vindicate its honor and promote its prosperity by every means in our power.

Resolved, That a Committe be appointed by this body whose duty it shall be to prepare and publish an appeal to the Pastors of the State, urging them to labor and pray more earnestly themselves for the prosperity of the great interests of our Zion; to lay before their Churches at stated times the claims of our great enterprise and by all legitimate means seek to enlist the the hearts of our people in their behalf.

Resolved, That we appreciate the liberality of the Domestic Mission Board of the Southern Baptist Convention, by which generous aid has been extended to a number of our struggling Churches for many years; that we believe more intimate relations between that Convention and our Convention would subserve the best interests of both bodies, and that we express our entire willingness to co-operate cordially with that Convention in promoting the enterprises of Home Missions, Foreign Missions, Ministerial Education and Sabbath Schools in every way that will not conflict with our own views of duty to these causes at home.

Mr. Mills objected to some portion of the preface of the report and suggested some modifications, which were agreed to.

Rev. Mr. Hufham objected to the report in toto.

The Rev. Mr. Purefoy said that while he did not have any objection himself to the report, yet as there was such a diversity of opinion, he thought the paper had best be withdrawn.

Rev. Mr. Thorne concurred with the views of the Rev. Mr. Purefoy. Rev. Mr. Hiden moved to strike out all the report save the resolutions. Rev. Messrs. Overby and Luke favored the adoption of the entire report, as they thought it likely to do great good.

The motion to strike out was put to a vote and carried.

On motion the resolutions were voted upon singly and adopted.

Upon the question of their adoption as a whole, the Rev. Mr. Sumner, Corresponding Secretary of the Board of Missions, of the Southern Baptist Convention, who had been recognized and welcomed, addressed the Convention upon the subject of Domestic Missions. At the conclusion of Mr. Sumner's address, the motion to adopt the resolutions as a whole was adopted.

The report of the Sunday School Association of North Carolina was submitted, read and adopted.

The President announced Revs. Messrs Pritchard, Hufham and Royall, as a Committee prepare an appeal to the Baptist Pastors of the State.

Rev. Mr. James, from the Committee to nominate a Corresponding Secretary of this body for the next year, submitted a report, nominating Rev. J. D. Hufham to that position. After remarks from various gentlemen expressive of great confidence in the choice of the Committee, the report was unanimously adopted. A prayer invoking heaven's blessings on the selection of the Convention, was then offered by Rev. Mr. Hiden.

Rev. Mr. Fountaine moved that the Convention proceed to pledge themselves individually, for the payment of the salary of the officer just elected.

After the discussion of numerous plans to secure the payment of the salary, it was decided that a fund of $1,000 should be raised, divided into $10 shares, any one subscribing for as many shares as they pleased. Some sixty shares were immediately subscribed for. On motion, it was agreed to raise a Committee to solicit subscriptions to make up the balance. The President appointed the Rev. Messrs. Sanderlin, Mitchell and F. M. Jordan, as said Committee.

After the transaction of some further business, the doxology was sung and the Convention took a recess until 3 o'clock P. M.

AFTERNOON SESSION.

Convention called to order at 3 o'clock, Second Vice President Justice in the chair. Prayer by the Rev. Mr. Gaultney.

The report of the Committee on the indebtedness of the old Sunday School Board was adopted.

The Committee on the time and place of the meeting of the next Convention, presented a report naming Charlotte as the next place of meeting. The report was adopted.

Rev. R. S. Marsh was appointed to preach the introductory sermon at the meeting of the next Convention with the Rev. Mr. Wingate as alternate. Rev. T. H. Pritchard was appointed to preach the Missionary sermon with Rev. W. T. Walters alternate.

Rev. Mr. Hiden offered a resolution in favor of the Theological Seminary at Greenville, S. C., which was adopted.

The same also offered a resolution of thanks to the Baptist Church of this place and citizens for hospitality &c., also thanking Railroads and other public conveyances, and Reporters of newspapers. The resolution was adopted.

A report from the Finance Committee was received, read and adopted.

Rev. Mr. James from the Committee to nominate new Boards submitted the following:

BOARD OF MISSIONS.—T. H. Pritchard, J. M. Heck, W. W. Vass, Jno. G. Williams, J. Armstrong, J. Nichols, B. W. Justice, A. D. Blackwood, J. H. Alford, J. R. Howell, J. A. Stradley, H. Lennon, J. S. Bridgers, J. C. Wilson, R. Oliver, W. A. Barrett, C. C. Pool, Wm. Turner, G. W. Sanderlin, C. B. Justice, F. H. Jones, J. B. Justice, R. R. Overby, W. H. Avera and G. W. Watkins.

BOARD OF EDUCATION.—W. M. Wingate, W. G. Simmons, W. J. Walters, Dr. L. Chapel, Dr. A. R. Vann, G. W. Brewer and W. H. Avera.

The report was adopted.

Rev. Mr. Mitchell presented a report from the Board of Foreign Missions which was adopted.

Rev. J. S. Purefoy, from the Committee appointed to examine the matter, reported unfavorably upon the plan to establish a Boarding or club House at Wake Forest College for the benefit of beneficiaries, after some discussion the matter was referred to the Board of Education.

Rev. Mr. Royall offered a resolution that the Board of Education be instructed not to receive any applicant for aid as a beneficiary, for whose support no provision has been made. The resolution was adopted.

Rev. Mr. Wingate and others addressed the Convention in reference to matters concerning the educational interests of the Church.

Some further business was transacted when the Convention with the usual ceremonies adjourned.

Married.

At Heberon Church, Richmond County, N. C., at 3 o'clock, P. M., on Wednesday, 9th inst., by Rev. T. W. Guthrie, of the M. E. Church, South, Mr. NASH LEGRAND and Mrs. MAGGIE M. LEAKE, all of Richmond County.

The bride was supported by Misses Jennie LeGrand, Emma Askew, Fanny Beverly, Alice McRae, Josie LeGrand, Lizzie Little, Ella Stanback and Julia Powell; and the bridegroom by Messrs. W. M. Chandler, J. F. LeGrand, W. D. Smith, J. T. Dunlop, T. F. Stanback, J. L. Beverly, J. F. Everett and J. A. Little.

From the Church the joyous bridal party repaired to the residence of Mrs. LeGrand, mother of the bridegroom, where the large number of invited guests partook of a splendid supper prepared in the most approved style of North Carolina hospitality, and spent a goodly part of the night in social converse and innocent amusements.

OHIO.

CINCINNATI, Nov. 13.—Taran, editor of a paper at Cooksville has become managing editor of the Enquirer—the new arrangement commences to-day.

Dispatches state that the English mission has been tendered to Schenck.

FOREIGN.

TOURS, Nov. 12.—The authorities here don't consider the rupture of the armistic final.

LONDON, Nov 13.—The Germans have occupied Brancourt and Etapes.

Garibaldi, after the battle of Tuesday, between Montbelaird and the Swiss border, marched with 12,000 men upon Belfort.

The Prussians have plundered the little town of Ache.

The French Admiral at Cuxhaven has restored the free navigation of the North and Baltic seas to neutrals.

BERLIN, Nov. 13.—The following is from the King to the Queen: "Versailles, Nov. 11th.—Gen. Vanderteam yesterday retired from Orleans to Toury before a superior force; he fought the French, however, all day. He has already been re-enforced by Gen. Wittich and Prince Allrich. The Duke of Mecklenburg Schwerin will also join his forces with those of Vanderteam to-day."

Saturday Night Dispatches.

WASHINGTON.

WASHINGTON, Nov. 12.—Confederate General Joseph E. Lewis, of Kentucky, is dangerously ill.

A dispatch to the war department says, Alabama is in doubt, but probably Democratic.

The *Petrel* makes its appearance on Monday. It will take its stand from the start, as the central organ of revenue reform and as the advocate of reduced taxation, vigorous retrenchment, general amnesty, and a change of the administration of affairs.

FOREIGN.

TOURS, Nov. 12.—Over 1200 Prussians captured at and near Orleans, passed through the city to-day on their way to the South, [illegible].

There is great excitement among the people, [illegible] with much difficulty. Not [illegible] prevented. Hundreds of people along the line of march, recognized among the prisoners those who outraged them at Chateau Dun and other places. The prisoners hooted, but by the efforts of the greater part of the crowd, violence was prevented.

Cheering reports are still received from the army of the Loire. There are rumors of a great advantage gained yesterday. Gen. Von Dortanis' army, although re-inforced by an entire army from Chartres, is in full retreat. Chanbetti has gone to Orleans.

BERLIN, Nov. 12.—Official reports of the capture of Verdun are published to-day; a large number of officers and guns were captured.

VERSAILLES, Nov. 11, via Berlin and London; Gen. Von Dortaun reports to headquarters here, to-night, that there has been no further advance of the enemy to his front.

A special dispatch to the *Times* of Nov. 12th from Tours, has the following full details of the victory of Gens. D'Aurelles and Palaines over Von Dartaun. The engagement commenced both East and West of Orleans on Wednesday and was continued until thursday evening.—During Thursday the French drove the Prussians from Orleans and inflicted severe loss on them, and are now in the occupation of the city.

Gen. Von Dortaun with the remnant of his army is now retreating on the road from Orleans to Pithiviers, after vainly attempting to force his way through Chateau Neuf and Montargis, where he hoped to join the army of the Prince, Frederick Charles.

Gen. D'Aurelles has a force of 80,000 men on the North bank of the Loire and 70,000 on the South bank.

The destruction of the bridges and roads between Courmesey and Orleans has prevented Prince Charles Frederick advancing; he has about 75,000 men, a great part of whom are probably North of the Marne.

After having disposed of the remnant of Von Dorteun's army, Gen. D'Aurelles will march directly on Paris and assail the German lines between Versailles and St. Germain, while Gen. Trochu makes a sortie with 150,000 men to cut his way out and raise the siege.

Communication between Gen. D'Aurelles and Trochu and the Government at Tours, is constantly maintained by carrier pigeons.

LONDON, Nov. 13.—News of the bombardment of Hamburg is hourly expected.

The battle of Orleans was very serious. The French line extended from Vendome to Beaugency.

Two Italian vessels have gone to Marseilles to protect Italian citizens there.

6,000 Prussians are marching on Montmedy.

THE MOST VIGOROUS AND PROGRESSIVE COMPANY IN THE WORLD.

The Equitable
LIFE ASSURANCE SOCIETY OF THE UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,
CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $18,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes of policy-holders, as the case in many Companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4 000 000.
6. Such payments are made in cash, and not partly in cancelled notes, as in the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as in the case in all Note Companies.
8. The sum of $8,500,000, and upwards, in cash divided among policy-holders. (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as in the case in all "Mixed" and "Proprietary" Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start, and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealings so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It insures all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending December 1, 1869, was $51,721,141.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is contended to be the only equitable mode of division, and not by the mode adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000,000 greater than any other company.

SUCCEEDS HIS FATHER IN THE AGENCY OF THE

NATIONAL LIFE INSURANCE CO., U. S. A.

For the Central and Northern Counties in

NORTH CAROLINA.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwards of

10,000 POLICIES,

and nearly doubled its immense Capital of $1,000 000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" so well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Alison & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity, economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 120,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 500 lbs.

One man can do the work, only requiring longer time.

It comprises a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete—Depth Cotton Box 8 feet. Size Bale 4½ feet 12x28x50in; wt. Bale 400 to 550 lbs.

THOS. H. BRIGGS.

T. H. BRIGGS, Esq.: Dear Sir:—I used the "Utley Cotton Press." I purchased from you last season, and consider it to be the best Press I ever saw. Having packed bales to weigh from five hundred and ninety (590) to six hundred and twelve pounds (612.) I consider it the best and most durable Press I ever saw used, and can cheerfully recommend its use to the farmers of North Carolina.

Yours truly, C. W. BYNUM.

FRANKLINTON, N. C., April 16th, 1870.

MR. THOMAS H. BRIGGS: Dear Sir:—Yours of 13th instant inquiring as to the merits of the "Utley Cotton Press" is to hand, and in reply I would say that I have tried other Presses and consider the gear upon which the *Utley Press* works cheaper, simpler and more durable than any I have met with.

Yours very respectfully,

JAS. A. WILDER.

RIVER LAWN, CUMBERLAND Co., N. C., April 22nd, 1870.

THOS. H. BRIGGS, Esq: Dear Sir:—In reply to yours of the 13th asking how I was pleased with the Utley Press I used last season, I would say that it gave entire satisfaction.

THOS. H BRIGGS, Esq., Raleigh, N. C.: Sir—I have used "Utley's Cotton Press" for baling hay for some months. It works well and gives entire satisfaction. I regard it as the best Hay Press I have seen.

Respectfully, E. H. FOGUE.

RALEIGH, N. C. June 18th, 1870.

T. H. BRIGGS, Esq., Raleigh, N. C.: Dear Sir:—I used the "Utley Cotton Press" I purchased from you last season. I packed my own crop of cotton, also other crops for my neighbors, making in all one hundred bales. I consider it superior in all respects to any Press I have ever seen and that it is every thing the patentee represents. I packed bales weighing from four hundred to five hundred and ninety-seven pounds.

Yours truly, W. T. BOWLE.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!

No more Smoke!—No more Grease!

No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimneys.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 8th 1865.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hall & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

THE

Widows & Orphans

BENEFIT LIFE INSURANCE COMPANY

OF NEW YORK.

Cash Assets over $1,500,000,

ISSUES ALL FORMS OF NON-FORFEITABLE WHOLE LIFE AND ENDOWMENT POLICIES, on the Mutual Cash Plan, declaring Dividends annually after the first annual premium paid. Assetts exclusively Cash with no portion of its reserve fund in premium notes, consequently its "reserve" is stronger than that of any Company doing business in this State. No "Paid-up reserve values *guaranteed*" as an inducement to new business, but reference is made to the very small amount paid on each surrendered policy as shown by New York Insurance Reports, and to evidence of having paid larger surrender values, than has been given under a minimum "Deducted Cash surrender Value." *Death losses* have not occurred, out of several hundred policy-holders in this State, which fact must establish the better ability of the Company, to pay larger dividends than Companies having an excessive mortality, the result of a selection of bad risks. "*Fictitious Dividends* are not declared" but Dividends are given from the actual surplus in accordance with the Company's Charter. The attention of the public is invited to the following comparison of cost, demonstrating the advantages over ordinary insurance, of the

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks*,—upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and commutation must be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.
